**COMPLETION**  
2009

#### Project Description:

This project involved the development of a full site landscape design for South Hill Group for phase 2 of a popular condominium development on North Upper Street - north of the University of Kentucky's campus. It included schematic walk and planting design as well as construction documents for 4 courtyards and exterior breezeways. Installed: 2009.

*Project completed while with M2D design group, Lexington, KY.*
